Dear Frank:

I thought I had beeter drop you a line, although I have written to Gottlieb and tell you we are considering changing our game May 30th from Yankee Stadium to Baltimore. We are home the entire month of May and in the Stadium the first Sunday in June, and I am afraid the folks will get sick of us around here, then too, I think the Cubans and Yankees would draw just as well from the overflow crowd from the Dodgers and Giants, due to the fact the Dodgers and Cubans played that interesting series in Cuba. I was afraid you may be proceeding to have schedules made and wanted to ask you not to do so until we decide definitely about this game. I should here from Gottlieb within the next day or two about it.

I also want to ask you not to send any cards to Newark for opening day, May 11th, and I will not send any to New York. I plan to have some cards made and have them distributed in New York the day after the opening, as we play the Cubans two more days that week, and play here the two following Sundays, but I will see to it that they are not put out until after opening day.

Very truly yours,
